### SECTION 2.2 CODE OF ETHICS

#### **POLICY 2.2.1 CONFLICT OF INTEREST PURPOSE** (adopted 08-03-2021)

The purpose of the conflict-of-interest policy is to protect this tax-exempt Corporation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest Board members of Corporation or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

## SECTION 2.3 DEFINITIONS

### Policy 2.3.1 Interested Person

Any board member who has a direct or indirect financial interest, as defined below, is an interested person.

- C. After exercising due diligence, the governing board or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- D. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested board members whether the transaction or arrangement is in the Corporation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, the governing board shall make its decision as to whether to enter into the transaction or arrangement.

**Policy 2.4.4 Violations of the Conflicts-of-Interest Policy**

- A. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

**Policy 2.4.5 Records of Proceedings**

The minutes of the governing board and all committees shall contain:

the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board or committee's decision as to whether a conflict of interest in fact existed;

the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

- Any/all meal reservations submitted after the deadline (e.g., noon Thursday) will be assessed a \$10 late fee. This includes walk-in (on-site) registrations.
- Meeting fees (including lunch) for members remains \$20. (Registration after the deadline is \$30).
- Meeting fees (including lunch) for guests increases to \$30 (from \$25). The logic is to create more differentiation from a member benefit. (Registration after the deadline is \$40).
- The meeting only fee remains \$10. (Late fee does not apply).
- Pre-paid no shows (reservations received before the deadline, e.g., noon Thursday) who have not cancelled their reservation before the deadline, will not have their fees refunded, nor credited to future meetings.
- Any unpaid reservations received before the deadline (e.g., noon Thursday), who are no shows, and who have not cancelled their reservation before the deadline, will be billed by the Treasurer.
- Pre-paid reservations cancelled before the deadline (e.g., noon Thursday) will be given a credit for use at a future meeting within that calendar year.
- We will not develop multiple reservations options on our online PayPal store. Someone wanting more than one reservation can pay more than once through the current system.
- We will not create a public policy for handling multiple reservation payments by check ... but will handle those requests by exception. So, for example, if a member wants to have their company cut a check for 6 meetings, we will accept payment, and Sam (Accommodations) will manually track the credit and use of funds on the accommodations spreadsheet. #	IF YOU RATED ANY ITEM(S) AS FAIR, POOR OR TERRIBLE, WHAT COULD WE DO DIFFERENTLY TO CHANGE YOUR RATING TO EXCELLENT?	DATE
1	I only attended one networking segment, and it was more of an informational session, so the attendees did not talk to each other. I didn't find other ways to network, so decided to just go get coffee during breaks.	10/28/2021 4:00 PM
2	Where are the forums? Confused about this for the second year.	10/28/2021 4:00 PM
3	The platform was a little bit confusing to use. The sessions never loaded on it and I had to launch them all in Zoom. This meant having both open for the chat, which I did not utilize much due to being on the Zoom platform open the whole time. This is also why I gave the participation a lower score.	10/28/2021 4:00 PM
4	It needs to be as cheap as possible so as many people can access this information as possible, regardless of income or company budget	10/28/2021 3:54 PM
5	I would have liked to have more of the Zoom room engagement opportunities vs. in the conference platform. The conference platform took me awhile to understand.	10/28/2021 3:09 PM

## Q5 What were your top one or two takeaways from this Conference?

#	RESPONSES	DATE
1	Accessibility of design must consider all learners' needs; also, appreciated the accessibility info for Articulate since that is what we use in our design.	10/28/2021 4:02 PM
2	Learning how to do accessibility in Articulate was a primary reason for attending (I recently started working on the platform after 7 years away), also I learned some CC principles and standards I didn't know before.	10/28/2021 4:00 PM
3	Don't assume you know what people need, ask.	10/28/2021 4:00 PM
4	How a screen reader works in Storyline, which was very effective to see. I also liked the different considerations for making content accessible for neurodivergent learners.	10/28/2021 4:00 PM
5	Captions/transcripts are not the same, UDL is amazing	10/28/2021 3:52 PM
6	Always assume there is a diverse learner in the group and that we should always be working to make our practices more inclusive of our learners.	10/28/2021 3:09 PM
7	Awareness of UDL Making sure I'm aware of attendees who may have disabilities that I need to plan for Doing what I can to break barriers	10/28/2021 3:05 PM
8	Accessibility is about more than accommodation, Accessibility benefits everyone and the needs of all learners need to be considered. Lots of great information about captioning and how to do it well.	10/28/2021 3:03 PM

## Q6 Is there any information, thoughts, or concerns you would like to share? (If you would like for us to respond directly, please include your preferred contact information.)

Answered: 4 Skipped: 5

#	RESPONSES	DATE
1	One or two times, the tech seemed to get the better of the presenters, particularly with the videos they showed. I think sometimes showing videos can be so dependent on participants' bandwidth and connections, as well as the presenter. Simpler may be better, or perhaps have the organizers have the capability of showing the videos instead of having the presenters attempt it. Just a thought.	10/28/2021 4:02 PM
2	Very nice conference. The topic was so important and the speakers were excellent.	10/28/2021 4:00 PM
3	Kahoot is not a great tool to be using at ADT. People with physical disabilities that limit reaction time, people with executive function disorders that may have trouble selecting an answer quickly, and people with slower than average reading comprehension may all feel left out by it. Prizes should never be offered for having fewer disabilities.	10/28/2021 3:54 PM
4	I would have liked to be able to attend all of the sessions live vs. having to go back and watch them at a later date because knowing myself I probably won't do that. I think making the conference longer would be helpful so we would have the opportunity to attend all of the content sessions. Overall, I really enjoyed my experience and learned a lot, thank you!	10/28/2021 3:09 PM
